

In this email I would like to review FACTS as it relates to SB-133, and 6 good reasons to **vote NO on SB-133**

1. During 2011, the Professional Private Investigators Association of Colorado (PPIAC) provided inflated numbers of potential private investigators who would apply for the volunteer PI license. 120 or so, applied, of that 20 were out of town; the license fee over three years went from \$340.00, to \$630.00, to \$1095.00.
2. A \$40,000.00 deficit in the volunteer program now exists as a result of the PPIAC inflated numbers.
3. That \$40,000.00 is going to be added into the cost of a PI license.
4. The majority of the PPIAC board members, during 2011, 2012 and 2013 have obtained a license.
5. The current bill identifies a level 2 investigator, however has no qualifications listed.
6. PPIAC cannot be trusted to provide accurate information.

PLEASE VOTE NO ON SB-133
